

# Competition Agility Foundation Course

*This 4 week course is aimed at people wanting to enter agility competitions. Best suited to dogs over 10 months of age, we sometimes allow younger dogs with experienced handlers. Competition agility is quite different to doing agility just as a fun pastime; the focus is on handling skills rather than just negotiating equipment.*

## ***This course covers***

- *Foundation proprioception work with your dog – ladder work, wobble boards, jump bumps*
- *Foundation handling skills – circle work, front crosses, lead outs*
- *Foundation contact equipment (stopped contacts)*
- *Working with Hoops*
- *Tunnel skills*

**REWARD  
BASED  
TRAINING!**

## ***What won't be included***

- *Jumping (this will be a separate course/s)*
- *Letting dogs just go over and through equipment just for fun (we aim for competition standard performances)*
- *Weaves (this is taught separately)*
